

The Procurement Technical Assistance Center (PTAC) of Schoolcraft College Presents

How to Become a Government Contractor

2010 Dates

August 12	September 9	Seminar: 9 a.m. – Noon	\$40/person	REGISTRATION REQUIRED See back for more information.
October 21	November 11			
December 9				

What does it take to become a successful government contractor? What services and resources are available to a small business pursuing the government market? If your company has been considering the field of government contracting, this seminar will give you the insight you need.

Did you know the federal government purchases more than \$518 billion of goods and services a year and the State of Michigan has a diverse portfolio valued at more than \$19 billion? Find out what it takes to sell your goods and services to the federal government and the State of Michigan. In addition, learn about the services and continuous support the Procurement Technical Assistance Center (PTAC) has available to help your company with the contracting process.

Federal Government Contracting 101
